

## **Guide to Information**

Bachlaw Learning Centre is required by Freedom of Information (FOI) law to adopt and publish an approved publication scheme. We are under a legal obligation to:

- Publish the classes of information that we routinely make available
- Let the public know how to access the information and what it might cost

Bachlaw Learning Centre is a Scottish public authority under FOI law. We have adopted the Model Publication Scheme produced by the Scottish Information Commissioner. To view the Model Publication Scheme please visit <http://www.itspublicknowledge.info/mps>.

The purpose of this Guide to Information is to:

- let you to see what information Bachlaw Learning Centre publishes under each class of the Model Publication Scheme
- tell you how to find the information easily
- tell you about any changes for the information
- give contact details for enquiries and help with accessing the information
- explain how to request information we haven't published

Alongside the Act, the Environmental Information (Scotland) Regulations 2004 (the EIR's) provide a separate right of access to environmental information we hold. You can find out more information on the difference between FOISA and EIR's on the Scottish Information Commissioner's website <http://www.itspublicknowledge.info/Law/WhichLawApplies.aspx>

## **Availability and Formats**

The information we publish through the Model Publication Scheme is, wherever possible, available on our website. We offer alternative arrangements for people who do not want to, or cannot, access the information online or by inspection at our premises. For example, we can usually arrange to send information to you in paper copy (although there may be a charge for this).

## Exempt Information

We will publish the information we hold that falls within the classes of information below. If a document contains information that is exempt under Scotland's freedom of information laws (for example sensitive personal information or a trade secret), we may remove or redact the information before publication but we will explain why.

## Copyright

Bachlaw Learning Centre has adopted the Open Government Licence (OGL) for the information it publishes through this Guide. You can view the OGL here:

<http://www.nationalarchives.gov.uk/doc/open-government-licence/>. This sets out what you can and cannot do with our published information where we are the copyright holder. Where Bachlaw Learning Centre does not hold the copyright in information we publish, we will make that clear in this guide.

## Charges

There is no charge to view information on our website.

We may charge for providing information to you e.g., photocopying and postage, but we will charge you no more than it actually costs us to do so. We will always tell you what the cost is before providing the information to you.

Our photocopying charge per sheet of paper is shown in the table below:

Size of paper	Pence per single sided copy (black and white)	Pence per single sided copy (colour)

Information provided on CD-Rom will be charged at £1.00 per computer disc.

We will recharge any postage costs at the rate we paid to send the information to you.

When providing copies of pre-printed publications, we will charge no more than the cost per copy of the total print run.

We do not pass on any other costs to you for our published information.

## Charges for Environmental Information

Environmental Information provided under the EIR's has slightly different rules for charging than information provided under the Act.

We do not charge for the time to determine whether we hold the environmental information requested, or deciding whether the information can be released. Charges may be made for locating, retrieving and providing information to you e.g. photocopying and postage. In the event that we decide to impose a charge we will issue you with a notification of the charge and how it has been calculated. The information will be provided to you on payment of the charge. If you decide not to proceed with the request there will be no charge to you.

Charges are calculated on the basis of the actual cost to us of providing the information.

Photocopying is charged at 10p per A4 sheet for black and white copying, 30p per A4 sheet for colour copying

Postage is charged at the actual rate for Royal Mail

Staff time is calculated at actual cost per staff member hourly salary rate to a maximum of £15 per person per hour.
